HOW TO ORDER

You can order from our Head office where one of our experienced and professional staff will assist you with your requirements.

Place an order over the phone by calling 01482 889950 or by email at info@securitydirectuk.com

You will receive a confirmation email shortly after ordering detailing method of delivery and your reference number. Most items are off the shelf and can be ordered and collected the same day; please check the lead time for products in this catalogue.

Please note: If you are unsure of the compatibility of products within this catalogue, please contact technical support for confirmation prior to ordering.
HOW TO PAY

Credit/Debit Cards

Security Direct accepts all major debit cards and credit card payments

We can also accept debit/credit card payments by telephone.
DELIVERY OPTIONS

There are 3 different options for delivery of your order:

Collection in Person

You can come in to collect your order from either our Lancaster or London depot – see opening times overleaf. Please bring your Reference, found on your confirmation email, to help identify your order at collection. An out of hours collection service is also available on request – London only.

wn Transport

Providing your order is over £400 we will deliver your order on the next standard run to your area. Orders under £400 will be subject to a £40 delivery charge to your premises or £55 if delivered to the point of installation.

We can operate a next day dedicated delivery, please enquire for a price.

Overnight carrier

We can deliver your goods on a contracted next day carrier, providing the products are less than 6m. See below for a list of charges:

- Components up to 5kg (including tubular motors) £10.00
- Components up to 20kg £28.00
- Full products over 20kg £70.00

The additional services are also optional at a surcharge:

- Pre 10.30am delivery £37.50 extra
- Pre noon delivery £27.50 extra
